

People First continues to celebrate Community by Giving Back

Putnam County People First Advocates made a visit to the Giblin Family home to give them a “welcome to the neighborhood” basket to help them celebrate their Habitat for Humanity Home. People First had several fundraisers and used the profits to give the family a gift of \$300.00.

Putnam County People First is a self- advocacy group made up of individuals with special needs. People First has two missions; help themselves and others with disabilities to have a voice and to give back to the community in which they live.

Upcoming People First events include a summer food drive, booth at the Putnam County Fair, and organize a team to walk in the Putnam County Relay for Life.

Putnam County Board of DD supports all individuals with developmental disabilities. To learn more about the services provided by Putnam County Board of DD visit the website at [putnamcountydd.com](http://putnamcountydd.com).
