

Tech Learning Lab 2024

Date: December 10, 2024

Time: 10:00am to 12:00pm

Location: 124 Putnam Parkway, Ottawa, OH

Technology is our gateway to the future! Explore the latest innovations and technologies supporting independence and how to stay safe using tech-tools shaping tomorrow's world.

Whether you're a student, caregiver, professional or just curious about how technology can improve your life, this event is for you! Your presence at the Tech Learning Lab is crucial as we strive to create an inclusive and supportive environment for all.

Presenter Information:

Sarah Heldmann, BS, COTA/L, ATP. Sarah has over twenty years of experience working in the disability community including ten years working as an occupational therapy assistant. Additionally, Sarah is an assistive technology professional. Sarah enjoys having challenging perspectives about disability by encouraging folks to think well beyond a paradigm of low expectations.

Carly Dauch, OTD, OTR/L, Health Supports Coordinator. Carly has worked as an occupational therapist with the Wood County Board of Developmental Disabilities (WCBDD) for five years. She is a 2017 graduate of the University of Toledo.
