

About Us

For more than 50 years, the Putnam County Board of Developmental Disabilities, formerly known as Brookhill Center, has provided supports to individuals of all ages who have developmental disabilities.

Our goal is to work to support individuals. We assist in employment readiness, residential services, early intervention for children, help connect people to transportation, and more.

Putnam County Board of Developmental Disabilities is proud to collaborate with a number of community entities so we can serve individuals within our community.
